Staffing update:

Ms. Kennedy is leaving for leave Jan12, replacement in place Ms. Kaur

Playgrounds:

Habitat Systems and SwingTime Dist seem to be very comparable. PAC needs to decide what the budget for 23/24 is and go from there. There may be some funds in school Discretionary Fund to contribute. 2 crazy cups, possibly a smaller music installment. **Melissa will find out what timelines for ordering installation needs to be.** Would be best to make final decision as close to summer break as possible so we can have an accurate idea of budgets.

Projector:

Was installed on the west wall of the gym.
